EDUCATION

2011 - 2015
WARDIERE UNIVERSITY
B-tech (ECE)

SKILLS

- Next.js
- React.js
- ReduxToolkit
- Javascript
- Typescript
- Tailwind
- ReactNative
- Nativewind
- Node.js
- MongoDb
- ReactNative
- Nativewind
- Node.js

LANGUAGES

- English (Fluent)
- Hindi (Fluent)
- Punjabi (Fluent)

PROFILE

Frontend Developer with over 3 years of professional experience specializing in ReactJS, NextJS, Redux Toolkit, and related modern frontend technologies, I am confident in my ability to contribute effectively to your development team. I am enthusiastic about the opportunity to bring my problem-solving abilities and passion for web development to your organization.

WORK EXPERIENCE

CREATIVE AI

SEPT-2024 - PRESENT

FRONTEND DEVELOPER | REMOTE

- Designed and developed interactive and responsive web applications using React, Next.js, and modern frontend tools.
- Collaborated with clients and teams to deliver custom solutions for diverse freelance and contract-based projects.
- Optimised application performance, ensuring fast load times and seamless user experience across devices.
- Implemented reusable components and clean UI designs, maintaining code quality and project scalability.

DIGIMANTRA LABS

APRIL 2024 - SEPT 2024

REACTJS DEVELOPER | LUDHIANA

- Develop and Maintain React JS Applications:** Design and build scalable, efficient, and reusable front-end components and applications using React JS, ensuring high performance and responsiveness.
- Collaborate with cross-functional teams to understand client requirements and implement new features and enhancements in existing applications.
- Debugging and Issue Resolution:** Identify, troubleshoot, and resolve complex technical issues and bugs in React JS applications to ensure seamless user experiences.
- State Management with Redux:** Implement and manage global application state using React Redux, ensuring efficient state transitions and data flow across the application.
- Styling with Styled Components:** Utilize Styled Components to create modular, maintainable, and responsive UI elements that align with the overall design and branding guidelines.
- Performance Optimisation:** Continuously monitor and application performance, ensuring fast load times and smooth user interactions.
- Code Reviews and Best Practices:** Participate in code reviews to maintain code quality, consistency, and best practices across the team.

- **Responsive Design Implementation:** Ensure that all web applications are mobile-responsive and work seamlessly across different devices and browsers.

ARKTASTIC

MAY 2022 - APRIL 2024

FRONTEND DEVELOPER | REMOTE

- Contributed to the development of various interactive and responsive web applications using ReactJS, Redux and NextJS.
- Implemented performance optimizations in Next.js-based applications leading to improved load times and overall user experience.
- Integrated and managed various email services for efficient communication with users.
- Worked closely with the design and backend team to ensure seamless integration and maintain a cohesive design language across the applications.
- Helped in code reviews, testing, debugging, and documentation to

ROOMBUDDY

FEB 2022 - MAY 2022

Jr.FRONTEND DEVELOPER | REMOTE

- Streamlined and enhanced development processes by integrating a variety of front-end libraries.
- Designed and implemented custom as well as isomorphic components to encourage code reusability and efficiency.
- Managed and implemented complex, responsive layouts, ensuring optimal user experience across a variety of devices.
- Employed advanced debugging and troubleshooting techniques to ensure the delivery of high-quality, bug-free application interfaces.
